KnowCode Portfolio

Showcasing Our Excellence

About Us

Our Story

At KnowCode, we believe in the power of technology to transform businesses. Founded in 2024 by Ashwini Sharma, a seasoned expert with 15 years in development, design, operations, and growth within the IT and pharmacy software industries, KnowCode was born out of a vision to revolutionize how businesses harness the latest digital and IT solutions. We partner with organizations worldwide to create custom, scalable solutions that propel growth, efficiency, and success.

Founder & CEO

Ashwini Sharma (Ash), the visionary behind KnowCode, is an experienced leader with deep expertise in technology, customer service, business development, and marketing. His entrepreneurial spirit has driven KnowCode's success, positioning it as a trusted partner for businesses seeking innovative solutions. Ash's commitment to excellence and customer-centric approach has earned KnowCode a reputation for reliability, integrity, and cutting-edge technology.

Our Team

Our team is composed of talented designers, developers, digital marketers, and business experts who are passionate about creating impactful solutions. Every team member brings creativity, technical expertise, and industry knowledge to the table. With a client-first mentality, we deliver solutions that not only meet but exceed expectations.
